The memories of your visit to Thai spa experience.

CHANN SPA

How do I make a spa appointment?

The Spa has proven to be an extremely popular addition to Chann Spa. As such, we recommend that you make your spa reservations well in advance of your arrival. The Spa is typically very busy on weekends as well as many weekdays, so it may be difficult to arrange for spa services on the day of your arrival. For guests not registered at Cosy Beach Pattaya, a valid credit card will be required to reserve spa appointments. Debit cards will not be accepted to reserve spa appointments. To schedule your appointment, please call 038-250 800-3 Ext.878. All spa services are subject to availability. Prices and service selections are subject to change without notice.

How early should I arrive for my spa services?

Please check in at the spa reception desk 30 minutes prior to your first scheduled appointment. Unfortunately, late arrivals may not receive an extension of scheduled treatments, so as not to inconvenience other spa guests. To begin your relaxation, we recommend use of the showers and steam.

What time does The Spa open?

Spa services are available daily beginning at 9 AM. Hours may vary with the season.

What should I bring to The Spa?

We will never compromise your modesty. You will be given a robe and slippers to change into before your treatment. What should you wear under the robe? That is up to you. Our Spa Therapists will only expose the portion of your body that is being treated at the time. A swimsuit is requested for the Spa Rain Shower.

What do I do if I need to cancel my appointment?

Please notify The Spa a minimum of 24 hours in advance should you need to cancel or re-schedule to avoid a 50% charge for the service. All no-show appointments will be charged at full value.

Should I tell anyone about any physical, medical or allergy concerns?

Upon arrival to The Spa, you will complete a brief health history questionnaire to assist the Spa Technicians in providing you the best possible experience and to assure your maximum safety and comfort. We encourage you to disclose any pertinent health conditions that may affect your spa experience.

May I use my cell phone while in The Spa?

So that an atmosphere of relaxation can be maintained and as a courtesy to other guests in The Spa, we ask that all electronic devices (cell phones, laptops, smart phones, etc.) be turned off and not used while in The Spa.

What should I do with my jewelry and other valuables?

Please leave your jewelry and other valuables or in the safe deposit boxes located in the rooms.
